

Confirming Identity and SSN/ITIN

The Tax Help program must confirm the identity and SSN/ITIN of the taxpayer (and spouse, if applicable) to avoid the potential for identity theft or tax fraud. Additionally, all taxpayers must present proof of SSN or ITIN for any dependents on the tax return.

Only in exceptional cases when a taxpayer does not possess a valid ID and is unable to acquire another photo ID without facing significant barriers will the Tax Help Program accept an expired photo ID.
